Skill Guide for Swimming Lessons

The following is a guideline for enrolling your children for swimming lessons:

Level 1	This is for the swimmer who is at the very beginning, is not comfortable in the water and probably the first or second time enrolled in lessons.
Level 2	Comfortable with face under water and being on their own in shallow water
Level 3	Knows reach, pull, and backstroke
Level 4	Knows front/back crawl and elementary backstroke
Level 5	Knows all strokes listed Level 4 and sidestroke and breaststroke
Level 6	Knows all strokes. Focus on distance, endurance, and fine-tuning stroke mechanics

Five 2-week sessions are offered for children 5 years old and up. Little Mates and Level 1 swimmers may be younger. Classes are limited in number and last 40 minutes. Classes are offered by WSI certified instructors. Due to limited space in the pool, we request you sign up for a maximum of 3 of 5 sessions. The requirement for each class is eight lessons. If one or two class sessions are cancelled due to weather, they will not be made up.
